Love after work

by MiaQc

Summary

An Alternate Universe where Rody and Vincent are women named Vincence and Rodina. Rodina insists to Vincence that they make love after her day's work is done. Vincence agrees.

"Come on, please!" Rodina begs, making sweet eyes.

"It's not the right time." Her boss and lover, Vincence, retorts.

"But my work day is over! Yours too!"

"I know, but it's still daylight outside, and we haven't even had dinner!"

"COME ON, COME ON! Imagine the scene, you and me in your bed..."

"Don't start."

"I'd wet your pussy, you'd wet mine..."

"RODINA!"

"I'm sorry, I don't want to make you angry, but I desire you so much!"

"I desire you too."

"So...?"

"All right then! We can always eat later."

"Yes! Thank you, my love!" Rodina says, then kisses the dark-haired woman.

The two women go to Vincence's apartment. In Vincence's bedroom, the two women undress, then the redhead climbs on top of her partner. Rodina wets Vincence's pussy with her fingers. Her lover moans.

"Do you want me to make you come right now?" The redhead asks her significant other.

"Ah~, not right away. Oh~, I want to get your pussy wet first."

Vincence digs her fingers into Rodina's pussy. She moans in turn. Both women pleasure each other and cum at the same time.

"Ohhhhhhh~ VINCENCE!"

"Ahhh~ Rodina, RODINA!"

"I love you!" Says the dark-haired woman.

"I'll love you forever!!!" Says the red-haired woman.

They take time to recover from their lovemaking, then Vincence gets out of bed to cook their dinners. Rodina stays in bed. She's happy.
